## About the Music

**Reflections** is the second movement of the suite **War of the Worlds** which was commissioned by the Senzoku Gakuen College of Music Saxophone Orchestra and first performed by them in the Maeda Hall, Japan on June 29 2012, the composer conducting. The music is dedicated to Professor Shin-ichi Iwamoto. The transcription for brass band was first performed by the Brighthouse & Rastrick Band, conductor David King, in the Bridgewater Hall Manchester on September 8 2012.

The suite takes inspiration from the 1953 film script adaptation of the famous HG Wells novel and key scenes from the film are set as individual movements:

2) **Reflections** – here mankind contemplates a life forever changed as the invaders progress their colonization of Planet Earth.
