## **Gramercy Practice Pad Vol II Trombone Bb**

Over the years *Gramercy Music* has received numerous requests for solo instrumental parts to some of our most popular titles for the purposes of individual private practice.

Volume I included a variety of music; from concert openers, hymn tune arrangements and classical transcriptions to extended concert music and advanced test-pieces.

Volume II focuses exclusively on the latter, presenting some of our most challenging material. As is the convention in brass band literature, the Trombone parts are in treble clef.

All of the items exist in readily available recorded formats (YouTube, Spotify etc.) so providing a “play-along” experience should you so wish.
